The Puget Sound Photographic Collectors Society is a non-profit organization of over 120 Northwest camera enthusiasts dedicated to preserving the photographica of our past.

In the past 30 years the show has grown, with your help, to the largest one day camera show in the Western United States. We offer 140 - 6' tables - with thousands of photographic items for sale, show or trade.

Any assistance you can provide in "spreading the word" will be greatly appreciated. If you, or members of your staff would like to attend the show, we would be pleased to have you as our guest. If you would like to do a feature article, to run the week before our show, of our organization or our members please give me a call at the above number.

Thank you for your time and consideration.
